

## Christ Our Victory

Again, March sixteen finds us here,  
Two thousand and three marks the year.  
Seventeen years gone by so fast,  
Closeness reveals our love will last.

A blessed time with one so dear—  
Stay close to Christ, no need to fear.  
Trials and tests our foe will cast,  
We'll overcome by faith—hold fast!

All said and done when comes the end,  
On whom do our hope and plans depend?  
The Mighty One who gave us life,  
Yet promised no path free from strife.

But said, "Sufficient is my grace,  
Battles rage—you have a place  
With one who loves you, you've been bound,  
Victors at last you will be found."

Teamed up in Heaven we will fly,  
Praises and glory will we cry!  
To Him who knew what would be best,  
Life together would pass the test.

Take heart my Love, His coming is nigh,  
Our tests be over, by and by.  
Keep your courage, the end's in sight,  
We'll make it through this earth' dark night.

Praise to God with all we're worth,  
For joining us here on earth.  
He knew it'd bring us happiness,  
Strengthen each other to pass the test.

Hold on my Love, He can't be far,  
Jesus our bright and Morning Star,  
Shall light our path and see us through,  
And prove His promises are true.

Our marriage truly He has blest  
And I have only one request,  
As future years reveals our fate  
That arm in arm we'll pass that gate.
