Had I Known?

Had I known what would be
Would I still have chosen thee?

Looking back at the ups and downs
Remembering smiles and the frowns?

Had I foreseen the trials and tests
Would I'd consider you the best?

Had I known what might have been
Would I do it all over again?

Might I have wished for something more
Had I known what would be in store?

Had I'd been able to look ahead
Would it have been with joy or dread?

Had I known what lay in the future
Would I'd chosen you my suitor?

Had I known what time would tell
Would I have desired to break the spell?

Had I known then what I know now
Would I have decided to be your frau?

And when all is said and done
Would you be the chosen one?

Had I known what would be
Would I still have chosen thee?

Anxious to hear the answer Dear,
Stick around for the poem next year!
